Above, right and below: In the Summer and Fall of 2023, Will Doty was commissioned for a series of murals inside the Citizen's Bank Building at 236 N. Water St in downtown Decatur. The new owners of the building plan to add a coffee shop in the area in which the murals are located. These photos are just a few parts of a whole series, but we hope they will be open to the public soon! Will is also available for additional commissioned paintings, decorative painting and interior murals.

{ Create Your Own Masterpiece! }

Little Feat

This autographed concert poster was matched perfectly with an eggshell mat-board. The frame is a dyed dark blue wood grain with a gloss finish.

Just A Touch Up

A vibrant and large watercolor float-mounted with a double-mat border. This order required just a mat and frame cleaning after some damage to the mat-board. We offer mat replacements for simple fixes, too!

What's your style? Custom framing makes your favorite art fit your personal style.

CLASSIC

A timeless look, exemplified by warm, wooden hues, fine natural fabrics and soft lines. Rich color schemes compliment finely crafted furniture, carved mouldings and fine woodwork, creating a comfortable, welcoming space.

Featuring Nurre Coxton moulding 62803 and Bainbridge mats 4113 and 4097

MODERN

Minimalist silhouettes with refined lines and curves, often using industrial materials like glass and aluminum. The clean shapes of modernism are mirrored in a straight-forward, neutral palette with pops of color.

Featuring Nielsen moulding 95-21 and Bainbridge mats 8660 and 8751

TRANSITIONAL

A marriage of traditional and contemporary furniture, finishes, materials and fabrics, equating to a perfect blend of masculine and feminine. The occasional hint of chocolate or espresso offers contrast to a largely neutral backdrop.

Featuring Nurre Coxton moulding 40762 and Bainbridge mats 4415 and 4415

CASUAL

Weathered, low-maintenance furnishings paired with natural, textured fabrics and plush upholstery. A casual home shies away from the dark and dramatic, instead focusing on a laid back, almost happenstance design style.

Featuring Nurre Coxton moulding 45607 and Bainbridge mats 4159 and 8463

Our Mission:
